COMMUNITY NEWS

Park Campaign: ON HOLD

Brick by Brick has mentioned that they will be building an Informal Play Space in front of the new builds on Goodenough Way - once we have seen the plans, we can re-look at this.

Anglican base on Admirals Green

Permission has been given for this to be there during the build works as space is limited.
Residents are shocked the Met gave permission for this to happen over such a long period of time (one-off or short periods we understand but this will definitely cause damage to the green space area).

Bus Route 404

They will be trialing the route in March 2020.
Awaiting new plans so we can see parking bays, yellow line-markings and bus stop bays.

Safeguarding, Youth Worker Training and First Aid Training

If you would like to participate in any of these training opportunities please comment, inbox or email to c.a.t.residentsgroup@gmail.com.

The Woodland Trust

We had over 35 residents participate and collect trees which we got donated by the Woodland Trust. Of the 300 trees, they have been distributed to May Project Gardens, The Big Homeless Project, Croydon Community Gardens, Coulsdon South Train Station for commuters and a farm in Glastonbury.

HENRY CONSTRUCTION / B X B INFORMATION

Henry Construction is a Principal Building Contractor with over 30 years' experience across many sectors including residential, retail, mixed-use, education, healthcare, leisure, logistics, and commercial. Our focus is on being a good neighbour and communicating openly and clearly with our local stakeholders. Our new designated resident liaison officer will manage the delivery of support to residents and the wider community. Henry construction is working with Brick by Brick and is in progress of a development which consists of 18 three-bedroom and 4 two-bedroom houses, and 14 two-bedroom and 4 one-bedroom flats across three different areas on the estate. We are also providing a new, improved community centre.

Site working hours are as follows: Monday–Friday 8.00am–6.00pm Saturday – 8.00am- 1.00pm

THE CORONA VIRUS NOTICE

Risk level - Based on the World Health Organization's declaration that this is a public health emergency of international concern, the UK Chief Medical Officers have raised the risk to the public from low to moderate.

This permits the government to plan for all eventualities. The risk to individuals remains low.
We have been working in close collaboration with international colleagues and the World Health Organization to monitor the situation in China and around the world.

Returning travellers - Based on the scientific advice of the Scientific Advisory Group for Emergencies (SAGE) the UK Chief Medical Officers are advising anyone who has travelled to the UK from mainland China, Northern Italy, Thailand, Japan, Republic of Korea, Hong Kong, Taiwan, Singapore, Malaysia or Macau in the last 14 days and is experiencing cough or fever or shortness of breath, to stay indoors and call NHS 111, even if symptoms are mild.

These areas have been identified because of the volume of air travel from affected areas, understanding of other travel routes and number of reported cases. This list will be kept under review.

If you have returned from these specific areas since February 19, you should call NHS on 111 and stay indoors and avoid contact with other people even if you do not have symptoms:
Iran Specific lockdown areas in Northern Italy as designated by the Government of Italy
Special care zones in South Korea as designated by the Government of the Republic of South Korea Hubei province (returned in the past 14 days).

If you have returned from these areas since February 19th and develop symptoms, however mild, you should stay indoors at home and avoid contact with other people immediately and call NHS111. Please contact your consultant at our office and also let us know.

You do not need to follow this advice if you have no symptoms.

TAKE

Pride

IN OUR AREA

Thank you to all residents who regularly help to litter pick and sweep the areas.

Please continue to take litter home and if you see it help keep our area tidy.

10am the last Saturday of the month we encourage everyone to come out and contribute, pick up some litter outside your home. Thank you.

If you need a litter picker please comment, email or inbox to c.a.t.residentsgroup@gmail.com.
