Blocked Drains

East Surrey Water has fixed the pipe work in the middle flats Ellis Road side.

The drains on the estate get blocked because residents:

- Put oil down the drain - Put wipes & nappies down the toilet.

Residents please;

- Wait for oil to set and put in the bin - Put wipes and nappies in the bin

Next Public Meeting

Our next online meeting will take place on Monday 10th May 2021 at 7pm

Please join us to have your say

Zoom ID: 406 649 6272 - Password 99K4RV

We will be applying for funds to sustain a fully functioning community centre open 5-6 days a week for people/residents and local neighbours to participate In activities. We need your support and voice to ensure we provide what the community wants and needs.

New Builds

The new community centre should be complete by April 2021 and the full project by June 2021. Anything can change at any minute so these dates are provisional and the expected closing date. We have asked for a consultation re the community centre and to have a visit before it is open. Anyone interested in the community centre consultation, having a say about and putting your voice forward please contact us.

Concerns of residents

We are aware that residents are concerned that parking spaces will not be adequate when the new residents move in. Local Authority and Clr Bird have advised that nothing can be discussed or addressed until all the build works are complete. Due to the current financial situation it is unlikely that Croydon Local Authority will invest further into developing parking on Tollers Estate.

We are also aware of the abundance of flat tyres caused by discarded nails from the building works and the resulting costs incurred to residents rectifying the issue - please report any and all instances to Maria Cunnea as soon as they happen - let's hope we can get something done about this if enough people complain.

As a community when our community centre is open, we can have a residents meeting to discuss how best to move forward as a community.

Please help us by filling out the enclosed feedback card and posting in in the green letterbox outside the community centre - we need your views

HAVE YOUR SAY!

Our new website is now live and ensures we can keep you all up to date with community news, more effectively.

We welcome your feedback by using the form on the "contact" page. We have a space on our website for you to tell us about views on - The 404 bus route - Brick by Brick - General reporting to do with our community

Please use the Croydon Council website or app to report any housing issues: https://www.croydon.gov.uk/

Summer

ART INSTALLATION

During July 2021 Community at Tollers will be hosting an art installation on the estate highlighting our magnificent trees, but we will need your help to pull it off.

We are looking for any residents to pick up their knitting needles and create some squares of knitting we can combine together – Sizes; not wider than 30cm and no longer than 60cm, other than that go wild!

If you are not a knitter, we'd love any other fabric squares or decorations you might feel like making, it could be quilting, weaving, pom poms or even fabric bunting – whatever you create we will incorporate into the display.

We will need these prepared by the end of May (you have plenty of time!) in order to be able to put them all together – please get in touch when you would like them collected.

There will be other activities to get involved with which will be highlighted closer to date.

Thanks for your help!

TOLLERS ESTATE NEWSLETTER

SPRING 2021 EDITION

Pride in our area!

Let's continue to look after the area, pick up rubbish and put rubbish in the bin.

We notice that the bin men or delivery people are not mindful of leaving debris and there is mess left. We encourage residents to report via the My Croydon App or online.

CORONAVIRUS

As you are all aware we are still under Government advised lock down rules regarding the still present Corona Virus. Guidelines can be found here https://www.gov.uk/coronavirus.

It is important as a community we continue to do our part and follow the Government advice regarding stay at home orders and social distancing. We still have many vulnerable people shielding in our community and it is up to us to help keep them and everyone else safe. Whilst the vaccines show a way out there is still work to do to protect our vulnerable residents.
